

REMARKS

Claims 1, 2, 5-9, 11-14 and 36-44 are pending in the present application.

Accompanying this RCE is an IDS, an Application Data Sheet (ADS), and a copy of the new Declaration submitted on June 8, 2010. The ADS correctly lists the first named inventor as "Oliver Michaelis" which conforms with the new Declaration submitted on June 8, 2010. In the Notice of Allowance dated 10/18/2010, the spelling of the first named inventor is "Olivier Michaelis" which is incorrect. Applicant respectfully requests that the USPTO correct the spelling of the first named inventor such that it reads "Oliver Michaelis" and that future office communications reflect the correct spelling of the first named inventor.

REQUEST FOR ALLOWANCE

In view of the foregoing, Applicant submits that all pending claims in the application are patentable. Accordingly, reconsideration and allowance of this application are earnestly solicited. Should any issues remain unresolved, the Examiner is encouraged to telephone the undersigned at the number provided below.

Respectfully submitted,
